Dear Phil, 5/20/80

Hope things have been going well for you (and Wayne) during the period of silence. Not much new here. Stayin busy fighting FOIA cases and getting many records. However, I do want to get back to writing, if I do not expect it soon.

It occurs to me that I lack a good physical description of Preston Battle, his mannerisms, way of speaking, etc. If you could please get me copies of the stories of his death and obits and anything along the above line that does not require much time and cost I'd appreciate it.

When you see Wayne, please give him my best wishes.

I take it that if there is anything new down there it isn't much.

I've heard nothing, seen nothing in papers.

Thanks and best wishes,

Dear explanation of this adventure in the new math, CRD/FOIA style, is as follows:
